

Remarks

The present amendment is an amendment after mailing of the Notice of Allowance, It corrects an obvious error that would otherwise require a post issuance "Certificate of Correction. No new issues of patentability are raised.

Conclusion

Entry of the Amendment to the specification is proper under 37 CFR 1.312 and MPEP Section 714.14. No new issues of patentability are raised and the amendment corrects an obvious error that would otherwise require an post-issuance "Certificate of Correction."

If any issues remain unresolved despite the present amendment, the Examiner is requested to telephone Applicants' Attorney at the telephone number shown below to arrange for a telephonic interview.

Applicants would like to take this opportunity to thank the Examiner for a thorough and competent examination and for courtesies extended to Applicants' Attorney.

Respectfully Submitted
